

# Series 1000 – School/Community Relations

Policy Title: Community Use of Technology Equipment

Policy Code No. 1004.1R

---

A fee commensurate with the costs incurred by the district shall be attached to the rental contract of any computer lab requested by those patrons outlined in 1004.1. The course length is not to exceed one semester. The fee is to cover normal usage and maintenance of computer equipment.

An hourly fee for use of the Satellite Down-Link service shall be attached to the rental contract requested by those patrons outlined in 1004.1. Any additional room and custodial charges would be assessed based upon current policy.

Date of Adoption 09/11/1989

Review Date 01/10/2011

Revision Date 07/12/2004
