Policy Title: Distribution of Materials

Policy Code No. 1005.4

The board recognizes that students, employees, parents or citizens may want to distribute materials within the school district that are non-curricular. Non-curricular materials to be distributed must be approved by the building principal and meet certain standards prior to their distribution.

The Board of Directors specifically forbids the distribution to students or by students of pamphlets urging students, parents/guardians, and others to purchase services or products sold for profit.

Specifically exempted from the provisions of this policy shall be a student insurance program.

It is the responsibility of the superintendent, in conjunction with the building principals to draft administrative regulations regarding this policy.
