Policy Code No. 302.1

The board will employ a superintendent to serve as the chief executive officer of the board, to conduct the daily operations of the school district, and to implement board policy with the power and duties prescribed by the board and the law.

The board will look closely at the training, experience, skill and demonstrated competence of qualified applicants in making its final decision.

In choosing a superintendent, the board will also consider the school district's educational philosophy, financial situation, organizational structure, education programs, and other factors deemed relevant by the board.
