

Series 600 – Educational Program

Policy Title: MIDDLE SCHOOL CURRICULUM

Policy Code No. 602.3

The basic instructional program of students enrolled in grades seven and eight shall include English/ language arts, social studies, mathematics, science, health, human growth and development, physical education, music, visual arts, and exploratory subjects deemed appropriate by the Board of Directors.

Additional curriculum shall be prepared whenever it is felt that it will be of assistance in the instructional program. Curriculum shall be designed to provide a consistent middle school approach to instruction and to furnish information about available supplementary materials and related activities.

In all instances, the middle school curriculum shall meet the educational requirements as established by state statute and the Department of Education.

The Board of Directors may, at its discretion, offer additional courses in the educational program.
