

# Series 600 – Educational Program

Policy Title: SHARED-TIME ENROLLMENT

Policy Code No. 603.10

---

The Board of Directors is obligated and charged by the State of Iowa to supply educational opportunities to all who qualify and enroll in its schools. The Board of Directors will permit the education of private school students on a part-time basis, provided this is consistent with the rules developed by the Iowa legislature, and provided that such students are enrolled in the public school for sufficient times and courses of study as administrators determine to be in the best interests of all concerned.
