Policy Title: ASBESTOS CONTAINING MATERIALS

Policy Code No. 903.2

Friable and non-friable asbestos containing materials will be maintained in good condition, and appropriate precautions will be followed when the material is disturbed for any reason. If there is a need to replace asbestos wrapped pipes or boiler covering, these will be replaced with non-asbestos containing materials.

The school district will implement the rules of Asbestos Hazard Emergency Response Act (AHERA) and will provide the necessary funding to implement the response actions as required. The school district will appoint and train as necessary in the AHERA rules the appropriate person as required in the rules.
