

Series 200 – Board of Directors

Policy Title: **Review of Administrative Regulations**

Policy Code No. 209.7

Board policy sets the direction for the administration of the educational program and school district operations. Some policies require administrative regulations for implementation.

It shall be the responsibility of the superintendent to develop administrative regulations to implement the board policies. The regulations required for policy implementation, including handbooks, will be reviewed by the board prior to their use in the school district.

The administrative regulations will be available no later than the first regular board meeting after the adoption of the board policy unless the board directs otherwise.
