Policy Title: STUDENT COMPLAINTS AND GRIEVANCES

Policy Code No. 502.4

Student complaints and grievances regarding board policy or administrative regulations and other matters should be addressed to the student’s teacher or another licensed employee, other than the administration, for resolution of the complaint. It is the goal of the board to resolve student complaints at the lowest possible level.

If the complaint cannot be resolved by a licensed employee, the student may discuss the matter with the principal within 5 school days of the employee’s decision. If the matter cannot be resolved by the principal, the student may discuss it with the superintendent within 15 school days after speaking with the principal.

If the matter is not satisfactorily resolved by the superintendent, the student may ask to have the matter placed on the board agenda of a regularly scheduled board meeting in compliance with board policy.
