

7th - 12th Grade

Online Athletic Registration Information

Online Athletic Registration Link-

<https://newton-ar.rschooldtoday.com/>

NHS 9-12th & Berg 7th & 8th Grade--Online Athletic Registration and an updated physical must be completed before your student athlete practices or competes. Physicals are valid for *12 months* from date of the last exam

Q. When do I register my student athlete for 2021-2022 athletics?

A. July 5, 2021 and after

Q. Do I have to complete this online process with my student athlete?

A. Yes

Q. Do I have to use my student id for the online athletic registration?

A. No, you can continue the process without your student id.

Q. NHS & BERG: How do I know if I have an account with our Online Athletic Registration?

A. If your student is an incoming 9th grader then you will not have an account and will need to create one.

If you are an incoming 7th & 8th grader you will need to create an account. This system is new for Berg 7th & 8th grade student athletes.

If you are a brand new student athlete with the NCSD 7th – 12th grade you will need to create an account.

If you are a current 10th – 12th grade student athlete and have participated in athletics you do have an account. Please email Mindi Walker if you don't remember your user name and password.

walkerm@newton.k12.ia.us

Q. Do I have to upload my own physical form to my account?

A. Yes, you may use a scanner, or if you don't have access to a scanner you can take a photo of the form with your cellular device and upload the picture. *We will **NOT** be uploading the physical forms for 21-22 and future school years. (Make sure you have the physical form completely filled out and parent/signature completed otherwise the physical will be invalid)*

Q. Do parents/guardians have to sign the physical form once the doctor has filled it out?

A. Yes, please look for this area and sign/date where it asks for a parent/guardian signature name etc. If not signed it will delay the process.

Q. Am I able to register my student athlete for all of the sports he/she is interested in participating in for the 21-22 school year?

A. Yes, you don't have to register for one sport at a time.

Q. Where is the concussion form, Newton Community Schools Eligibility Statement, Newton Eligibility Packet, and Consent for medical treatment?

A. It is all included in the online athletic registration; the only paper you will have is the current physical form, which you will upload to your account yourself. (keep the paper copy for your records)

Q. Will this account be the same account I use throughout my student athletes middle school and high school career?

A. Yes, and if you have other children that will participate in the future you will use the same account information. So please keep track of your username and password.

Q. Where can I find the physical form that needs to be filled out by the doctor?

A. You can download the physical form from the main page of the athletic registration website. <https://newton-ar.rschoolday.com/home>.
