GRADUATION REQUIREMENTS

Diploma Requirements

Students will earn a state accredited diploma from WEST Academy.

WEST Academy 40 credits
 Newton High School 52 credits

WEST Academy Graduation Requirements

Each diploma has the following additional requirements:

Newton Senior High School (NHS) Diploma: To receive a Newton Senior High School diploma, students must have met the credit requirements of NHS, earned one credit in Economics and two credits in Chemistry and be enrolled in (and attend) classes at NHS carrying at least five credits during the student’s last semester prior to graduation.

WEST Academy Diploma: To receive a WEST Academy diploma, students must meet the credit requirements of WEST Academy and have earned at least one credit from WEST Academy during the student’s last term prior to graduation. (WEST Academy required electives may be waived if not available in a student’s schedule, but the student must meet all core and total credit requirements.)

The graduation ceremony date, time and location can be found on the calendar on pages three and four of this handbook. Cake and punch will be served directly following the ceremony for students, staff and guests.

Commencement Honors

Students who have a cumulative GPA of 3.000-3.899 will graduate with "Honors" and those with a GPA of 3.900-4.000 with "High Honors." Each honor student will be presented an honor cord during the ceremony. For the purposes of determining commencement honors, the second trimester final grades will be used in lieu of the third trimester final grades to compute the cumulative GPA.

Early Graduation

If a student meets all the requirements in less than four (4) years, he or she may leave school no sooner than the end of nine (9) trimesters. An application to complete requirements in less than twelve (12) trimesters must be requested by the parent or legal guardian in writing and recommended by the administration. Early graduates may participate in graduation exercises.

Academic Achievement Awards

Academic Achievement Awards are presented to all students who improve their trimester GPA by .25. The purpose of this award is to encourage students, regardless of their previous trimester's work, to improve their grades during the next trimester. Multiple awards may be earned.

Credits

Credits are earned in increments of one credit per trimester. For the purpose of graduation and transferring to/from WEST Academy, credits earned are the equivalent of one semester credit. For students transferring during the middle of a grading period it will be up to the school where the student is transferring to determine how to award credit for partially finished classes.

Work Credits

Work credit is designed for WEST Academy students who have acquired a job that demonstrates a positive career choice. Participating students will be under the supervision of a designated teacher/advisor and the student's employer. A WEST work credit is earned by recording the number of on-site working hours. Students need to turn in their pay stubs to the WEST Academy school office periodically during work experience. Verification of hours worked will be recorded during this time. When students bring a copy of a check stub in as verification the office staff will check the copy and record hours worked. Employer's signature is also required for enrollment. Credits are earned during the school year only with every 120 hours worked equaling 1 elective credit per trimester (12 weeks).

STUDENT CONDUCT

Academic Honesty

When teachers assign papers, projects or other student work to assess student learning, they assume that the work they evaluate was produced by the student whose name appears on the assignment. Sadly, each year, some students will violate the rules of academic honesty and will cheat in an attempt to improve their grade. These instances of academic dishonesty are taken very seriously by the faculty and administration because it is our responsibility to maintain the fairness of the system as far as

possible. These guidelines are intended to clarify what student behaviors are considered academically dishonest:

- Obtaining a copy of a test or scoring device.
- Accepting a copy of a test or scoring device.
- Copying another student’s answers during an examination.
- Providing another student answers to or copies of examination questions.
- Having another student impersonate the student to assist the student academically.
- Impersonating another student to assist the student academically.
- Representing as one’s own work the product of someone else’s creativity.
- Using notes or other unauthorized materials during a “closed book” examination.
- Duplicating another student’s project for submission as one’s own work.
- Having someone other than the students prepare the student’s homework, paper, project, laboratory report or take-home examination for which credit is given.
- Permitting another student to copy the student’s homework, paper, project, computer programs, laboratory report or take-home examination other than for a teacher-approved collaborative effort.
- Any other action intended to obtain credit for work that is not one’s own.
- Altering grades

Cheating and Plagiarism

Students at WEST Academy are expected to produce work to the best of their ability. Work submitted for credit recognition is to be done by each individual student and must be his/her own work. Cheating, plagiarism, etc. will result in loss of credit for the assignment. An additional offense in high school will result in loss of credit for the entire course.

Disciplinary Incidents and Consequences

It is the desire of WEST Academy for all students to understand and follow the expectations set forth to ensure a safe environment that supports learning. In the event that student behavior interferes with or detracts from safety and the learning environment the following steps will be taken. These are guidelines for the consequences that can be expected for the following disciplinary or behavioral incidents that may occur. Specific incidents are described in greater detail later in the handbook. Administration reserves the right to use discretion in each individual case and final decisions will be made by the principal.

Dress Code (Board Policy 505.11)

Students shall dress neatly and appropriately in a manner which is conducive to education and not disruptive of the education process. The attire should be such that no undergarments (i.e. bra straps or underwear) show at any time. The midsection must be covered. Hats and other head coverings **may not** be worn in the building during regular school hours.

Clothing and accessories that display or promote alcoholic beverages, tobacco, any controlled substance, profanity, obscene pictures, vulgar, lewd or obscene sayings, or depict illegal activities may not be worn. Any wording or images that are obscene or profane in interpretation are prohibited. Clothing or material containing any print or image that is derogatory to any race, gender or ethnic group is prohibited. Shirts and shoes must be worn at all times. “Gang” symbols or identifiable clothing, bandanas, handkerchiefs, graffiti, rollers, picks, combs, plastic bags, hairnets, hats, caps, wave caps and du-rags may not be worn inside the school building during school hours. Pants must be worn on the waist, sagging pants are not allowed. Shorts/skirts may not be too tight or short. Sunglasses, unless required by a physician or approved by the school nurse, may not be worn at school. Tank tops and muscle shirts may be worn if they are factory made and hemmed.

When a faculty member or school official observes a student dressed inappropriately, that student will be asked to change. That may require that the student calls or goes home for a change of clothes, and/or wears a t-shirt, sweatshirt or pants provided by the school. It will be the judgment of the principal and/or staff as to whether the clothing is appropriate for the school setting.

Fighting

Students at WEST Academy who are involved in a physical fight will be sent home immediately and will be subject to additional disciplinary consequences up to, and including, expulsion. Each incident will be dealt with on an individual basis. Areas which may be considered include:

- The circumstances surrounding the fight
- The intensity of the fight
- The past discipline record of the student(s)
- The attitude of the student(s) toward resolving the problem

Learning Opportunity Center (LOC)

For students with continued discipline referrals or a serious infraction, as described in this handbook, another educational option may be utilized. NCSd administration may place students at the Learning

Opportunity Center for a period of 5 days up to 1 full year. Further descriptions of the Learning Opportunity Center and its policies will be explained to those who attend.

Placement at the Learning Opportunity Center carries the same parameters as students suspended and/or expelled: no participation or attendance at extracurricular events; no attendance or presence on ANY district grounds, except the Learning Opportunity Center; work completion is expected and accepted for full credit when completed in a timely manner.

Student Conduct (Board Policy 502.1)

The principal, in cooperation with the WEST Academy staff, is responsible for ensuring a safe and orderly learning environment for all students. If at any time a student's behavior is disruptive to the learning environment, and/or the student is not making adequate progress in this setting, the principal reserves the right to terminate a student's enrollment at WEST with a referral back to the student's home school, Learning Opportunity Center (LOC) or to a GED program.

Student Expression

In order to maintain an appropriate learning environment and to protect the rights of all students, students must express themselves responsibly and appropriately in the school setting. Such expressions shall not encourage the breaking of laws or school rules, shall not be libelous, or contain obscene or indecent expressions. Further, the expression must be done at a reasonable time and place, as determined by the administrative staff. Student expressions that cause material disruption to the orderly operation of the school may be suppressed and the students disciplined.

THE SCHOOL DAY

Attendance

Regular and consistent attendance is expected for students at WEST Academy. Students should schedule personal appointments outside of the school day whenever possible. Absenteeism inhibits the effectiveness of the WEST Academy experience and each student's ability to be successful. While assignments may be made up there is no substitute for direct instruction and classroom participation. For this reason, students are expected to attend classes on a daily basis, and to be on time, in order to receive maximum benefit from the instructional program. Once students arrive at WEST Academy, they are expected to remain on campus for the remainder of their scheduled day, with the exception of seniors leaving for lunch and open periods. Students need to sign out in the office when leaving for open periods. Students who leave school grounds without permission will not be allowed to return to the building for that day and will receive an unexcused absence for the classes they miss.

Sometimes absences are unavoidable. Serious illness, bereavement, care of a child, or court ordered mandatory meetings are examples of absences that might be unavoidable. Such absences should be communicated in advance whenever possible, or in a timely manner when not, and will be handled on a case-by-case basis.

Absence: A student who is not present at school when school attendance is required, or who misses more than 1/2 of a class period, shall be considered absent.

Tardy: A student who arrives late to school or class without a reason approved by the school shall be considered tardy. For purposes of this policy, three tardies or any tardy of 10 or more minutes shall be

considered one absence.

If the student accumulates 7 absences in any class during the trimester, the student will be dropped from that class for the remainder of the trimester. Consideration will be given to special circumstances such as hospitalization, accidents, etc.

If a student is dropped from his/her entire schedule due to absences, the student will be asked to not return to school until the start of the next trimester. At that time the student will be put on a half day schedule until he/she can have success attending school for an entire trimester.

Medical appointments or illness are excused with a doctor's note. Notes must be turned in by Friday of the week absent. Court or legal proceedings are excused with an official note. Excused absences still count toward a student's total absences (6 allowed absences) for the trimester.

Students or parents are expected to call WEST Academy when the student is going to be absent from school. The school's number is 641-792-0335.

Cellular Phones and Other Electronic Devices

Students shall not use cellular phones or other electronic devices while in class without permission of the teacher. If a student is using a cell phone or other electronic device, the phone or device will be taken and turned into the administrator. The student may pick up the device at the end of the student's school day. If a student has his/her phone confiscated multiple times, he/she may be required to leave it in the office for an amount of time determined by the principal.

FOB

Seniors can purchase FOBs through the WEST office. FOBs are \$10 each. Students who return their FOB, in good condition, by the end of the year will receive their \$10 back.

Open Campus

Seniors will be allowed to leave the school premises when they do not have classes. Students will need to return to classes on time in order to maintain this privilege. Seniors who take underclassmen with them during lunch will lose their open campus privileges.

Physical Education

Students are required to earn four physical education credits in order to graduate. A maximum of one credit can be earned from a P.E. contract, which needs to be approved by the teacher or administrator. Students do not need to dress out for PE, but they do need to have tennis shoes each day.

Pick Up/Drop Off

Students can be picked up and dropped off at the north entrance. Doors open at 7:45 am in the morning. Students are not to use the east doors (the LOC doors) to enter or exit the building at any time other than in emergencies. Disciplinary actions will be taken if students are found to be using those doors.

Registering for Classes

Students will register for classes prior to the beginning of each trimester. Students who fail to earn credits in all of their classes will have a conference with administration that could be limited to a partial

schedule the following trimester. Current students will complete schedule requests with their homeroom teacher. Students new to WEST Academy will complete a schedule request at intake or with the counselor. Schedule requests will be prioritized by graduation date and by current students before new students. Exceptions may be made for seniors.

Visitor Policy

The Newton Community School District encourages parents and other citizens to visit the schools and believes that there are many potential benefits which can result from increased interaction with the public. At the same time, NCSD has a legitimate interest in avoiding disruption to the educational process, protecting the safety and welfare of the students and staff, and to protect the district's facilities and equipment from misuse or vandalism. A balance must be achieved between the potential benefits and risks associated with the presence of visitors in our school buildings. Achieving the desired balance will lead to increased parent involvement, a better understanding of how the school district operates and the challenges facing the school district, and an increased sense of collaboration and cooperation between the community and the schools.

Limitations may be placed on visitors to avoid disruption to school operations and to prevent visitors from receiving a distorted view of those operations. Building principals shall have the authority to determine which visits are to be permitted as well as the discretion to set any appropriate conditions on the nature and extent of such visits. In exercising their discretion, the principals shall consider the purpose of the visit, the impact of the visitor's presence and the relationship of any visitor to the students.

Rules for Visitors to School

1. A visitor is defined as any person seeking to enter a school building who is not an employee of the school district or a student currently enrolled in that building.
2. All visitors shall report to the school office when arriving or leaving the school premises. Notices shall be displayed in each building indicating that all visitors are required to register with the school office and obtain authorization from the building principal to remain on the school premises.
3. All visitors shall be required to produce appropriate *state issued* identification and will be subject to background check procedures.
4. All visitors shall be required to wear an appropriate form of identification at all times when on school premises as provided by the front office.
5. All visitors shall be supervised when in the presence of students.
6. Whenever possible, visitors should obtain authorization from the principal in advance. At the discretion of the principal, such prior authorization may be required.

Possible Exceptions for Visitor Requirements

Parents or NCSD citizens who have been invited to visit the school as part of a scheduled open house, special event, scheduled performance by a class, team or group, or other adult participants in organized and school approved activities during off-school hours are exempt from the requirements in most circumstances. However, NCSD schools reserve the right to screen all those who are at said events if deemed necessary by school officials.

Homeroom is designed to foster a connection to school, other students, and an adult advocate. Students are required to attend homeroom daily as part of their schedule. It will consist of academic and social guidance, as well as activities designed to support community, team building and expand overall academic experience. Students will remain in the same homeroom for their entire time at WEST Academy.

Homeroom Schedule Focus	
Monday	Community Building
Tuesday	MTSS (Employability)
Wednesday	Social Skills
Thursday	MTSS (Academic)
Friday	Progress Reports

COMMUNICATION

Throughout the year, a continual effort will be made to maintain communication between home and school. If parents/guardians ever have any questions, comments or concerns; please contact us immediately. Email is an excellent way to contact your student's teacher. Generally, teachers' email addresses follow this format: lastnamefirstinitial@newton.k12.ia.us e.g. zehrt@newton.k12.ia.us for Tara Zehr. By working together, the parent/guardian and teachers can help the student make maximum progress in school.

Infinite Campus Parent Portal

The Newton Community School District has an Infinite Campus Parent Portal as a means to further promote educational excellence and to enhance communication with parents. **The Portal allows parents to view their own student's school records, including grades, at any time**, as well as allows the school to post announcements. The Portal is available to parents or guardians of students enrolled in the Newton Community School District. To **activate the Parent Portal**, parents/guardians will need to read and sign the Acceptable Use Procedure/User Guidelines materials. These are available in the office. After a copy of the Acceptable Use Procedure/User Guidelines is received, a Campus Portal Activation Key (a set of numbers that will allow access to the Parent Portal) will be issued. This key will be needed to set up the username and password for the Parent Portal. For security reasons, parents/guardians must come in person to the office to receive the activation key. One key will give access to all of a family's children's information: attendance, grades and missing assignments. This is an excellent and quick way to continue our goal of constant communication with parents regarding our students' education.

Parent-Teacher-Student Conferences

Parent-teacher-student conferences are held once a trimester at midterm. All students and parents/guardians are expected to attend. Before a student can register for the next trimester, a parent/guardian conference must be held. Dates can be found on the calendar on pages three and four of this handbook.

Progress Reports

Weekly: Teachers will report out on attendance, grades, work completion and employability scores on a weekly basis. Each week students will need to be signed out by his/her home room teacher to be able to leave on Friday for the week. Students should then bring progress reports home each Friday.

Midterm: Midterm grades will be given out at parent-teacher-student conferences.

School Closings/Early Dismissals

During inclement weather if Newton Community Schools cancels school then WEST will also cancel classes. This will be announced on the radio station KCOB 1280 AM, 95.9 FM, WEST Facebook page, School Messenger or on the district website, www.newton.k12.ia.us.

Social Media

We will communicate as much as possible through our school social media pages. Please follow us at: Facebook: www.facebook.com/westacademynewton/
Instagram: @WESTAcademyNewton

DMACC Career Academy

The DMACC Career Academy is a program open to juniors and seniors and prepares them for or offers the opportunity to explore one of eleven different careers. These programs offer numerous college credits and help serve as a springboard into the future for students who choose to pursue these careers. Below is a list of the programs available and their prerequisites. On the next page the individual courses which make up the DCA programs are listed. Students must meet the prerequisites and have their own transportation to the DMACC Newton campus. Classes will meet either from 7:30-9:30 AM or 1:15-3:15 PM. ATTENDANCE IS VITAL for success at the academy and may be a criterion considered for pre-registration.

The DMACC Career Academy provides an opportunity for WEST Academy students to explore possible future avenues or to get a head start in the respective vocational field. Students registering for these programs will complete a separate registration form for DMACC.

Employees are required to assist in the investigation when requested to provide information and to maintain the confidentiality of the reporting and investigation process. The Newton Community School District has appointed the Director of Teaching and Learning (Bret Miller) and the Director of Human Resources (Laura Selover) as Level I Investigators. Student Directory/Photograph Information (Board Policies 506.2 and 506.2E1)

The administration may release the following types of directory information: photographs to the public using discretion relative to the privacy of the student and the family and the totality of the surrounding circumstances: name, address, telephone listing, date of birth, participation in officially recognized teams and activities. Photographs may be released to media outlets including Newton Daily News, NCSD website, School Newsletters, and building or classroom Facebook pages. Photographs or likenesses may be released **without** written consent unless parent/guardian designates refusal to do this on the electronic signature during registration through Infinite Campus each year.

Federal law requires public schools to release that information regarding secondary students to military or college recruiters **upon their request**. A provision in the law allows any secondary student or the parent of the student to request that such directory information **not** be released. If you choose **not to have** directory information released, a written request should be submitted to the WEST Academy principal.

Directory information is contained in the educational records of a student that would not generally be considered harmful or an invasion of privacy if disclosed. The district may disclose “directory information” to third parties without consent if it has given public notice of the types of information which it has designated as “directory information,” the parent’s or eligible student’s right to restrict the disclosure of such information, and the period of time within which a parent or eligible student has to notify the school in writing that he or she does not want any or all of those types of information designated as “directory information.” The district has designated the following as “directory information;” student’s name; address; telephone listing; electronic mail address; photograph; date and place of birth; major field of study; dates of attendance; grade level; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors, and awards received; most recent educational agency or institution attended,

student ID number, user ID, or other personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc.

Prior to developing a student directory or to giving general information to the public, parents (including parents of students open enrolled out of the school district and parents of children home-schooled in the school district) will be given notice annually of the intent to develop a directory or to give out general information and have the opportunity to deny the inclusion of their child's information in the directory or in the general information about the students. It is the responsibility of the superintendent to provide notice and determine the method of notice that will inform parents.

You have the right to refuse the designation of any or all of the categories of personally identifiable information as directory information with respect to your student provided that you notify the school district in writing not later than September 1 of each school year. If you have no objection to the use of student information, you do not need to take any action.

Students, parents of students, employees, and applicants for employment in the school district have the right to file a formal complaint alleging discrimination. The district has policies and procedures in place to identify and investigate complaints alleging discrimination. If appropriate, the district will take steps to prevent the recurrence of discrimination and to correct its discriminatory effects on the Complainant and others.

A Complainant may attempt to resolve the problem informally by discussing the matter with a building principal or a direct supervisor. However, the Complainant has the right to end the informal process at any time and pursue the formal grievance procedures outlined below. Use of the informal or formal grievance procedure is not a prerequisite to the pursuit of other remedies. Please note that informal

processes and procedures are not to be used in certain circumstances (e.g., sexual harassment and sexual assault).

Filing a Complaint: A Complainant who wishes to avail himself/herself of this grievance procedure may do so by filing a complaint with the equity coordinator(s). An alternate will be designated in the event it is claimed that the equity coordinator or superintendent committed the alleged discrimination or some other conflict of interest exists. Complaints shall be filed within 180 days of the event giving rise to the complaint or from the date the Complainant could reasonably become aware of such occurrence. The Complainant will state the nature of the complaint and the remedy requested. The equity coordinator(s) shall assist the Complainant as needed.

Investigation: Within 15 working days, the equity coordinator will begin the investigation of the complaint or appoint a qualified person to undertake the investigation (hereinafter “equity coordinator”). If the Complainant is under 18 years of age, the equity coordinator shall notify his or her parent(s)/guardian(s) that they may attend investigatory meetings in which the Complainant is involved. The complaint and identity of the Complainant, Respondent, or witnesses will only be disclosed as reasonably necessary in connection with the investigation or as required by law or policy. The investigation may include, but is not limited to the following:

- A request for the Complainant to provide a written statement regarding the nature of the complaint;
- A request for the individual named in the complaint to provide a written statement;
- A request for witnesses identified during the course of the investigation to provide a written statement;
- Interviews of the Complainant, Respondent, or witnesses;
- An opportunity to present witnesses or other relevant information; and
- Review and collection of documentation or information deemed relevant to the investigation.

Within 60 working days after beginning the investigation, the equity coordinator shall complete the investigation and issue a report with respect to the findings. The equity coordinator shall notify the Complainant and Respondent of the decision within 5 working days of completing the written report. Notification shall be by U.S. mail, first class.

Decision and Appeal: The complaint is closed after the equity coordinator has issued the report, unless within 10 working days after receiving the decision, either party appeals the decision to the superintendent by making a written request detailing why he/she believes the decision should be reconsidered. The equity coordinator shall promptly forward all materials relative to the complaint and appeal to the superintendent. Within 30 working days, the superintendent shall affirm, reverse, amend the decision, or direct the equity coordinator to gather additional information. The superintendent shall notify the Complainant, Respondent, and the equity coordinator of the decision within 5 working days of the decision. Notification shall be by U.S. mail, first class, with return receipt.

The decision of the superintendent shall be final.

The decision of the superintendent in no way prejudices a party from seeking redress through state or federal agencies as provided by in law. This policy and procedures are to be used for complaints of discrimination, in lieu of any other general complaint policies or procedures that may be available. If

any of the stated time frames cannot be met by the district, the district will notify the parties and pursue completion as promptly as possible.

Retaliation against any person, because the person has filed a complaint or assisted or participated in an investigation, is prohibited. Persons found to have engaged in retaliation shall be subject to discipline by appropriate measures.

School Authority

All school employees (administrators, teachers, secretaries, bus drivers, custodians, cooks, paraprofessionals, etc.) are expected to enforce the rules and regulations of the district, buses, and school buildings. Inappropriate behaviors of students in all classrooms, corridors, buildings and grounds, buses and at all school functions will be corrected and/or reported to the administrative office.

Search and Seizure (Board Policy 502.7)

School authorities may, without a search warrant, search a student, student lockers, desks, work areas, or student automobiles based on a reasonable suspicion under the circumstances and in a manner reasonable in scope to maintain order and discipline in the schools, promote the educational environment, and protect the safety and welfare of students and school personnel. Random searches of student lockers, desks, and storage units are allowed under Iowa law.

School authorities may seize any illegal, unauthorized or contraband materials discovered in the search. Items of contraband may include, but are not limited to, non-prescription controlled substances, marijuana, cocaine, amphetamines, barbiturates, apparatus used for controlled substances, alcoholic beverages, tobacco, weapons, explosives, poisons and stolen property. Such items are not to be possessed by a student while they are on school district property or on property within the jurisdiction of the school district; while on school owned and/or operated school or chartered buses; while attending or engaged in school activities; and while away from school grounds if the misconduct directly affects the good order, efficient management and welfare of the school district. Possession of such items will be grounds for disciplinary action, including suspension or expulsion and may be reported to local law enforcement officials or Learning Opportunity Center placement.

Suspensions and Expulsions (Board Policies 502.2 and 502.3)

Suspension means the temporary loss of the right to attend school, as well as the right to attend or participate in school activities and to be on school grounds. Suspensions may be assigned for serious violations of the student code of conduct, including, but not limited to: fighting, weapons, bullying/harassment, theft and disruption to the learning environment **Out-of-school suspensions may count as absences in the attendance policy at WEST.** Students who receive any form of suspension will be required to stay until 3:15 pm the following Friday to make up the class time and the class work the student missed due to the suspension. Failure to stay until 3:15 pm on the designated Friday will result in an absence for that day.

Expulsion means the permanent revocation of a student's right to attend school, as well as the right to attend or participate in school activities and to be on school grounds for a disclosed or undisclosed period of time. Should a student's presence be deemed detrimental to the best interest of the school a recommendation may be made to the Board of Directors for expulsion. The Board of Directors may, by majority vote, expel the student and set criteria for readmission.

Technology Usage

The school technology is provided for students to conduct educational research, to complete classroom projects and is a vital part of their learning process. All electronic technologies must be used in support of the educational program of the District. Students who do not use school technology in an appropriate manner will have restrictions placed on its use.

Please refer to the District Acceptable Use Policy in regard to student iPad and computer usage. This policy can be found on the school district's 1:1 website.

Trained Dogs

The district will use trained dogs to alert school officials to the presence of prohibited or illegal items, including drugs and alcohol. At any time, trained dogs may be used around lockers and the areas around vehicles parked on school property. Searches of classrooms, common areas, or student belongings may also be conducted by trained dogs when students are not present. An item in a classroom, a locker or a vehicle to which a trained dog alerts may be searched by school officials.

Through cooperation with local Law Enforcement Agencies, the NSCD will utilize K9 Officers from surrounding agencies to randomly perform searches of schools for drugs, weapons, and other illegal items. The intention is to deter students, staff, and visitors from bringing these items to our schools, thus creating a safer environment for everyone.

In the event of a search, the following steps will be taken:

1. The NCSD will periodically enlist local Law Enforcement agencies to perform random Canine searches for drugs and weapons.
2. The searches will be unannounced to students and staff prior to the event, and only the Superintendent, School Administrator (SA), and School Resource Officer (SRO) will know the date and time of the intended search.
3. The school being searched will be placed on a soft lockdown (students must remain in their classroom, though classes will continue as usual). The lockdown, and purpose for the lockdown, will be announced to prevent any unnecessary stress for students and staff.
4. The search will be conducted both inside the school, as well as the parking lot.
5. During the search, an SA or designated staff member will accompany each Canine Officer.
6. If a dog alerts to the presence of drugs or weapons in a locker, the Canine Officer will notify the SA or designated staff member, and the SA or staff member will conduct a thorough search of the locker in question, as well as one (1) locker to each side of the locker in question.
7. If drugs, weapons, or any other illegal items are found in a locker, the student who is assigned to the locker will be escorted from class by the SA or Law Enforcement Official to be searched and interviewed by the SA and Law Enforcement.
8. The SA or Law Enforcement Official will attempt to make contact with the student's parents prior to the interview.
9. If drugs, contraband, weapons, or any other illegal items are found, the SA or Superintendent will determine the level of punishment according to the student handbook, and will consult the SRO if criminal charges will be filed.
10. All evidentiary items will be documented, photographed, and handled by the SRO or Law Enforcement Official, and transported/disposed of by Law Enforcement.
