

Series 200 – School/Board of Directors

Policy Title: **Student Representation to The Board of Directors**

Policy Code No. 200.6

The Board of Directors encourages high school students to volunteer for community service and to learn about school governance by serving as a student representative on the School Board.

The primary purposes of student representation are:

- to provide a means for the students to share their knowledge and understanding,
- to provide the Board with a direct line of communication to students by having students directly interact with the Board,
- to provide opportunities for student volunteerism,
- to improve student awareness of school governance,
- to provide opportunities to students that will enhance their personal growth.

High school students shall serve in an advisory capacity to the Board and, in accordance with the School Laws of Iowa, they shall not have voting privileges nor be included in closed sessions. Students must demonstrate the same ethical conduct expected of Board members.

Student representatives from government class and/or the student council are eligible to serve.
