

Series 600 – Educational Program

Policy Title: SENIOR HIGH SCHOOL CURRICULUM

Policy Code No. 602.4

The basic instructional program of students enrolled in grades nine through twelve shall include English-language arts, social studies, mathematics, science, health, human growth and development, physical education, fine arts, foreign language, and vocational education. The specific courses shall be designed to meet the criteria of a comprehensive high school.

Additional curriculum shall be prepared whenever it is felt that it will be of assistance in the instructional program. Curriculum shall be designed to provide a consistent approach to instruction and to furnish information about supplementary materials and related activities.

In all instances, the senior high school curriculum shall meet the educational requirements established by state statute and the Department of Education.

The Board of Directors may, at its discretion, offer additional courses in the educational program.
