

Series 800 – Business Procedures

Policy Title: PERIODIC REVIEW OF INSURANCE PROGRAM

Policy Code No. 806.2

The Board of Directors shall review the insurance program of the school district periodically to insure adequate coverage of the program. Such review may be made annually but such review must be made within every three-year period.

The superintendent or designee, after consultation with other administrative personnel, the school district's appraisal agency, and the school district's insurance agency, shall provide the data and shall make recommendations concerning the school district's program of insurance.

Date of Adoption 08/28/1989

Review Date 01/10/2011

Revision Date 09/27/1993
